Dear Parents and
Students:

Bringing outside food is allowed but only under the following conditions:

- Only the parents or legal guardian may deliver food to their child. Parents *may not* deliver food for other students to eat unless it's pre-packaged.
- If the student is brought Dairy Burger by a parent, the student agrees not to share food with another student.
- Students may eat food if it is pre-packaged.

Reasoning:

If a student has an allergic reaction to eating food that was brought by another student's parent, the safety and well-being of the student is in jeopardy. Secondly, the school could lose federal funding from the State of Texas. If we didn't have to worry about these two things, we would be okay. However, these are the rules, and I must enforce them. So in the future, remember that you may only eat food brought to you by your parent. Please do not share any food if it is not pre-packaged.

Failure to follow these instructions will result in disciplinary consequences.

We thank you for helping us keep our school safe.

Respectfully,

Dr. Daniels
