Voice of Democracy Scholarship

Each year, nearly 40,000 high school students from across the country enter to win a share of \$2 million in educational scholarships and incentives awarded through the VFW's Voice of Democracy audio-essay competition.

The VFW established the Voice of Democracy program (VOD) in 1947 to provide students grades 9-12 the opportunity to express themselves in regards to democratic ideas and principles.

The national first-place winner receives a \$30,000 scholarship paid directly to the recipient's American university, college or vocational/technical school. Other national scholarships range from \$1,000-\$16,000, and the first-place winner from each (state) VFW Department wins a minimum scholarship of \$1,000 and an all-expense-paid trip to Washington, D.C.

YOU TOO CAN WIN \$30,000!

WHO CAN ENTER:

The Voice of Democracy Program is open to students in grades 9-12 (on the Nov. 1 deadline), who are enrolled in a public, private or parochial high school or home study program in the United States and its territories.

HOW TO ENTER: down load the brochure at <https://www.vfw.org/VOD/>

The 2016-17 theme is: My Responsibility to America

Students should record their reading of the draft to an audio CD or flash drive. The recording can be no shorter than three minutes and no longer than five minutes (plus or minus five seconds).

Entries begin at the Post level. Once the student creates their essay and completes burning the audio version to an audio CD/flash drive, they can submit their typed version, CD/flash drive and the Voice of Democracy entry form to their local participating VFW Post by the November 1 deadline.

JUDGING CRITERIA:

Originality is worth 30 points: Treatment of the theme should show imagination and human interest.

Content is worth 35 points: Clearly express your ideas in an organized manner. Fully develop your theme and use transitions to move smoothly from one idea to the other.

Delivery is worth 35 points: Speak in a clear and credible manner.

As a scholarship seeker, you're probably already well-aware of the importance of an education. But, what about the naysayers? Have you come across someone who's tried to talk you out of college, saying that it's not worth it?

While continuing your education takes time, and money, there's a certain value that everyone is hoping to achieve. Our Education Matters Scholarship is giving you the chance to state why education matters. Why does education matter to you? What is the value you hope to receive from college? What would you do to convince the college cynics?

Speaking up for education could lead to helping you pay for your own. One applicant will be awarded our \$5,000 Education Matters Scholarship.
