AGUA DULCE ISD RECEIVES A "B" RATING

The Texas Education Agency on Wednesday, August 14 released academic accountability ratings for school districts and campuses in Texas. The A through F ratings are based primarily on standardized tests taken by students in grades three through 12 during the 2018-2019 school year. 2019 is the first year individual schools received A-F letter grades.

Agua Dulce ISD overall rating improved from a 72 "C" to an 86 "B" rating.

Agua Dulce High School received an 82 "B" rating.

Agua Dulce Elementary received an 86 "B" rating with 4 distinctions. Distinction designations were in ELA/Reading, Mathematics, Postsecondary Readiness, and Comparative Closing the Gaps.

The district is excited to see growth across domains and we congratulate students and staff on progress made. We are grateful to our educators for their commitment to our students' success and our families for their partnership in our success. Our district's ratings are an indication of the hard work happening in our schools to provide opportunities for student success.

It truly is an exciting time at Agua Dulce ISD. We are preparing for the 2019-2020 academic year and it is also a time to celebrate last year's accomplishments.
