

Updated Agua Dulce ISD Visitor Entrance Procedures 10/10/23

Beginning October 10, 2023, all individuals who wish to enter Agua Dulce ISD property from 8:10am-3:30pm Monday through Friday, must show ID at the main gate to the property and check-in with security. At that time, security will issue a temporary visitors pass to all individuals that are dropping off items for their child, picking up their child, delivering lunch or conducting business at the agriculture classroom or boy's athletic facility. Upon leaving Agua Dulce property, the temporary pass will be returned to security.

Individuals who are entering either the elementary or secondary campus for reasons other than just dropping off items or lunch to their child or signing their child out, they must show ID again and be entered into the RAPTOR system and issued a permanent visitor's pass.

During pep-rallies and other assemblies, parents will not need to use these procedures. Security will be present at those events for safety purposes.
