August 7, 2020

Dear Agua Dulce Parents and Students,

We are excited to begin the school year! I wanted to let you know the following:

1. We can assure you that the teachers and staff at the Secondary and Elementary love and miss our students. We are eagerly waiting to see them, teach them, and work with them.
2. We want to reassure you that we are continuing our efforts to clean and disinfect the campuses and maintain a safe environment. Mask or face shields will be worn by teachers and staff. Students are expected to also wear a mask while on campus (except for specific grade levels at the elementary). Students can wear a mask that has designs etc. as long as it falls within the standards of the Agua Dulce Dress Code.  
We have procedures in place: no crowded hallways, staggered lunches, washing hands frequently, checking teachers, staff, and student temperatures. If anyone has an elevated temperature they will have to go home.
3. It is very important to be partners with us: if your child is sick, do not send him or her to school.
4. If you elect to keep your kids home past September 08<sup>th</sup>, ***we respect your choice.*** However, if and when you and your child feel ready to return, we will gladly accept them.
5. All teachers, students, and staff will be able to arrive no earlier than 7:30 AM for safety purposes. This is very important.
6. We are planning to be at school the entire year. We do not know exactly what the future will bring, but we are optimistic :)
7. We are planning to conduct three weeks of virtual learning, and afterwards, we would like to see all of the kiddos back at school.
8. As of right now, no technological devices from the school will be sent home. Please check with your child's teacher.
9. ***Teachers*** will communicate their method of instructional delivery to the parents and students.
10. Students are expected to be in attendance and complete all work for all classes.
11. If a student is not present for a virtual session, teachers and staff will call to check up on the student.
12. Please make sure all of your contact information is updated.

More detailed information will be coming soon.

Respectfully,

Ms. Lopez & Dr. Daniels
