On June 8th UIL is allowing us to start summer strength and conditioning. As you know we are in an unusual time, so we will follow the guidelines given to us by UIL. The following is information on workout times, guidelines, and days of operation. This will be a fluid situation, so communication is going to be very important. If you have any questions, please feel free to contact me so I can answer your questions. As Longhorns, let's continue to be the shining light of our community.

Here is the summer workout schedule. *** The schedule is subject to change***.
